Innsbruck 2022  
INUS ANNUAL CONGRESS  
June 9-11<sup>th</sup>

## INUS Nurse Workshop

*in cooperation with the Austrian Continence Society (MKÖ)*

Saturday June 11<sup>th</sup> 2022, 8:00—12:00

**Register now** for this educational course specially designed for nurses dealing with neuro-urological patients entitled „**Nursing care of neuro-urological patients needs special knowledge**“.

Objectives:

- Summarize current concepts of neuro-control and neurogenic dysfunctions of the lower urinary tract
- Outline methods for performing intermittent catheterization in children and adults
- Review different types of intermittent catheters
- Describe different sexual dysfunctions related to neurogenic diseases

Participate for free if you register for the INUS Annual Congress or book the workshop only for € 80. Please be aware that there is a limited number of participants — so book now!
