

Innsbruck **2022**
INUS ANNUAL CONGRESS
January 20-22nd

Leading Congress in
Neuro-Urology

Innovations in Neuro-Urology: Past - Present - Future

Save the date for the Annual INUS Congress at the
Kongresshaus Innsbruck, Austria. The congress takes place from
January 20th to 22th 2022.

PROGRAM-AT-A-GLANCE (PRELIMINARY)

Thursday January 20th	13:00 to 17:00	Workshops
Friday January 21st	8:00 to 12:00	Workshops
	13:00 to 17:00	Scientific Programme
	17:00 to 18:45	Poster Session
	19:00	Meeting of the General Assembly (Members Only)
Saturday January 22nd	8:00 to 12:00	Nurse Workshop
	8:00 to 17:00	Scientific Programme & SCF Award Competition
	19:30	Annual Dinner

WORKSHOPS

Participate in one of the following workshops on Thursday afternoon and Friday morning. On Saturday morning a special workshop for nurses takes place. The detailed workshop program will be

Thursday	Urodynamics <i>sponsored by Laborie</i> Chairpersons: Enrico Finazzi Agro & Marcio Averbeck	Translational Sciences Chairpersons: Naoki Yoshimura, Celia Cruz & Karl-Erik Andersson	Sacral Anterior Root Stimulation Chairperson: Juan Carlos Castano & Graham Creasey
Friday	Neurosciences Chairpersons: Jalesh Panicker & Gregor Wenning	Sacral Neuromodulation <i>Sponsored by Medtronic</i> Chairpersons: Bertil Blok & Howard Goldman	Gladiator's Debate Chairperson: Ekaterina Philippova & Juan Carlos Castano
Saturday: Nurse Workshop Nursing care of neuro-urological patients needs special knowledge Chairpersons: Susanne Vahr Lauridsen & Helmut Madersbacher			

INUS FACULTY (PRELIMINARY)

Apostilidis, Apostolos	Igawa, Yasuhiko	Onem, Kadir
Averbeck, Marcio	Kessler, Thomas	Padilla, Barbara
Biering-Sørensen, Fin	Khavari, Rose	Panicker, Jalesh
Blok, Bertil	Kirschner-Hermanns, Ruth	Poewe, Werner
Braschi, Emmanuel	Kocjancic, Ervin	Rehder, Peter
Castano, Juan Carlos	Konstantinidis, Charalampos	Vahr Lauridsen, Susanne
Castro-Diaz, David	Leitner, Lorenz	Vodusek, David B
Chartier-Kastler, Emmanuel	Liao, Limin	Vrijens, Desiree
Coşkun, Burhan	Madersbacher, Helmut	Welk, Blayne
Fanciulli, Alessandra	Mehnert, Ulrich	Wenning, Gregor
Gajewski, Jerzy	Mehrad, Mehri	Wyndaele, Jean Jacques
Gizewski, Elke	Moreno-Palacios, Jorge	Yoshimura, Naoki
Hamid, Rizwan	Mourad, Sherif	

Innsbruck 2022

INUS ANNUAL CONGRESS

January 20-22nd

KEYNOTE LECTURES

Helmut Madersbacher	Innovations in Neuro-Urology: Successes, failures or simply forgotten
David Castro-Diaz	Neurogenic intrinsic sphincter dysfunction: lessons learnt
Jean Jacques Wyndaele	From efferent to afferent
Werner Poewe	Neuro-Urology seen from the neurologist's point of view

SOCIETY LECTURES (PRELIMINARY)

EAN	Mario Habek	Urogenital and other autonomic manifestations in neuro-inflammatory disorders
EAUN	Susanne Vahr Lauridsen	Patient involvement in guideline development - is it important for guideline implementability?
ICS	Emmanuel Chartier-Kastler	Augmentation cystoplasty : what have we learnt?
ICS	Rizwan Hamid	Current management of neurogenic stress urinary incontinence
PACS	Sherif Mourad	Do we still need urodynamics to treat neurogenic bladders?
SBU	Marcio Averbek	Polypharmacy in Neuro-Urology
SIU	Reynaldo Gomez	Surgery of the spinal cord neurogenic bladder: a 30-year experience
TAU	Burhan Coşkun	The role of medical agents in the management of underactive detrusor in neurogenic patients.

PANEL DISCUSSIONS (PRELIMINARY) [alphabetic order of lecturer]

Management of specific issues in neuro-urological voiding dysfunction: DU, DSD.	Enrico Finnazzi Agro (Moderator)
Managing the challenging UTI patient - 2 cases	Howard Goldman (Cases/Moderator)
Prevention of urinary infections in the neuro-urological patient: perspectives across the specialties.	Ruth Kirschner-Hermanns, Fin Biering-Sørensen, Lorenz Leitner
Guidelines in Neuro-Urology: What we have and what we need.	Thomas Kessler (Moderator)
Neural imaging, from science to practise	Ulrich Mehnert (Moderator)

SPECIAL TOPICS (PRELIMINARY) [alphabetic order]

Urogenital dysfunction in neurological disorders: prognostic implications	Alessandra Fanciulli
New Terminology of adult neurogenic LUT dysfunction and barriers on its implementation	Jerzy Gajewski
Beta-3-adrenoceptor agonists—what can we expect from the second generation?	Yasuhiko Igawa
Hot topics in clinical neurourology/Challenge the expert	Thomas Kessler (Moderator)
Microbiome in Neuro-Urology	Barbara Padilla
Surgery in Neuro-Urology-Video Presentation (I): Lessons learnt from lower urinary tract reconstruction in neuro-urology patients with long-term follow up (>20 ys). Selected video highlights.	Peter Rehder

Social Program

Annual Dinner

incl. Aperitif, 3-course dinner and transportation

Saturday January 22nd, 19:30

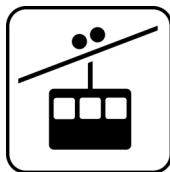

Costs: € 85

Guided City Walk

Thursday, Friday

Costs: € 5 per person

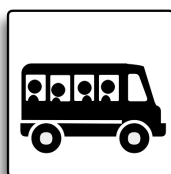

Top of Innsbruck

Take the highest city stroll of the Alps

Any day, any time (unaccompanied)

Costs: € 40

Salzburg

Day-trip for accompanying persons

Friday January 21st, 8:00—17:00

Costs: € 120 (min. 20 persons)

Post-Congress Skiing

Seefeld

Cross-country skiing, alpine skiing and snowshoe walking

From Sunday 23rd, 3 days

Costs: according to hotel category

Arlberg

Alpine skiing, guided off-piste skiing

From Sunday 23rd, 4 days

Costs: according to hotel category
